Total burner output(NG)	49.6
Maximum gas rating (NG)	49.6

Electronic ignition
Westinghouse gas cooktops use advanced technology such as electronic ignition to suit a hardworking, productive kitchen.

Five burners
Five burners provide enough space for all your cooking needs.

Flat trivets
Flat trivets enhance pot stability and slide-ability, enabling greater safety when cooking. They're also designed to be dishwasher friendly which means less time cleaning.

One-piece burners
Cleaning is made easy with the one-piece burners which lift straight off for easier and more efficient cleaning - no need for trick re-assembly (excluding wok burner).

IMPORTANT
This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.
